---

We have put together a series of short videos focusing on the key tenets of the three angels' message. These videos are merely synopsis of the key tenets. Additionally, we have included write-ups on each presentation for those who may want to have a more comprehensive understanding into this vitally important last-days message.

We offer this narrative as a modest contribution towards our high-calling, in the hope that in the midst of present-day satanic deceptions, all would prove to be more than capable of responding not with mere conjectures and suppositions, but with the power of the gospel\* **as the Apostle Peter counseled in 1Peter 3:15 "sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."**

Every message of importance must be earnestly proclaimed, especially one that involves eternal salvation or eternal damnation of souls. But the nearer one comes to the end, the louder must the message be proclaimed. If you saw a man approaching a precipice, you would cry out, to warn him of his danger. If he did not pay any attention, you would cry louder; and the nearer he approached, unconscious of his danger, the louder you would cry. Even so the nearer we come to the end of the world, which will be the eternal destruction of unwary souls who are not looking for it, the louder and clearer must the Gospel message announcing it ring forth.

Much has been preached on the Three Angels' message of Revelation chapter 14, and much more is needed to be proclaimed as we rapidly approach the close of this world's history. With rapid steps we are already approaching this period.

The closing work of the everlasting gospel in the last-days is the witnessing of the three angels' message to every nation, kindred, tongue and people, so extensively that the entire world shall hear it.

God is now testing and proving His people. His Word will be the standard for each one, and He is now revealing character defects and errors wherever they exist in order that those who love and honor Him may forsake their own ways, and come together\*

**"...in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ"** as recorded in Eph. 4:13.

This little company which is not metaphorical, but numbering figuratively 144,000, is the most interesting class of people brought to view in the Word of God.

The matter of greatest importance in the universe is not only the salvation of men, important as that is. The most important work is the clearing of the Father's name from Satan's false

accusations. Out of the last generation the Father will have His faithful ones to boldly proclaim the third angel's message, a stark warning against the worship of a false god as represented in the spurious Sunday Sabbath and the false heathen trinity dogma.

The controversy between Christ and Satan is drawing rapidly to a close. God is preparing His last-days people for the last great conflict. Not the strong or the mighty, not the honored or the rich, not the wise or the learned, but common ordinary people will God take, through and by them the closing work of the everlasting gospel shall be brought to a close.

In a nutshell, this is our High Calling, to witness the one true God message to the world, the closing work of the everlasting Gospel.

-----\*

The Three Angels' message is referred to as the "everlasting gospel." The gospel of Jesus Christ changes not, and this is the very reason that it is referred to as the "everlasting gospel." There is but one gospel to save men. It will continue as long as there are men to be saved. There never will be another gospel.

**In Galatians 1:8 the Apostle Paul confirms this point: "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed"**

There is a great need for all to go back to the purity of the gospel as preached by the OT prophets, as taught by our Lord Jesus Christ, and as expounded by the NT apostles. Besides, in the gospel the righteousness of God is revealed from faith to faith. His righteousness never changes, that's why it is referred to as the everlasting gospel.

**In 1 Pet 1:25 we read "But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you"\***

**Jer 6:16 tells us to go back to the purity of the old paths, away from the enemy's false teachings of today "Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls"**

**\*Sister White wrote in Review and Herald, March 2, 1886 par. 6 "Through all these centuries the truth of God has remained the same. That which was truth in the beginning is truth now. Although new and important truths appropriate for succeeding generations have been opened to the understanding, the present revealings do not contradict those of the past. Every new truth understood only makes more significant the old."\***

-----

The key tenets of the three angel's message are summarized here for easy understanding.

## Presentation-1S, Our high calling

---

The first angel's message declares that all are to render proper reverence, glory, and worship to our Creator and Redeemer, the one true God of the Bible. The grand theme in the first angel's message is the emphatic call to "Fear God and give glory to him" and "worship him" the one true God; and not "worship them the trinity" as insidiously suggested in the false pagan three-gods-in-one or one-god-in-three trinity dogma.

The fear of the Lord is not only to hate evil but more importantly to love righteousness. The fear of the Lord is that reverent attitude comprising love, awe, gratitude, and allegiance that distinguishes men who have realized their own nothingness and unworthiness; and with absolute faith, trust and confidence in the sanctifying power of God's Spirit, have found salvation in God's gracious plan.\*

Man has neither might nor power nor wisdom in themselves. All of man's glory is vanity and shall perish like grass. God is everything and man is nothing. Knowing that we are nothing, we do not need to waste any time looking at ourselves, for it is certainly a waste of time to look at nothing. We have no strength at all, so that we may learn to say **"for the LORD JEHOVAH is my strength and my song; he also is become my salvation"** as written in **Isaiah 12:2**. We are to accept God's statement of what we really are, which is nothing.

\*One may enquire who the Creator in the first angel's message is. The Bible clearly teaches the Father is the Creator, while at the same time it also teaches that all acts of creation are undertaken by Christ the only begotten Son, in whom is all the fullness of divinity, one who is worthy of worship.

**John 1:3 states "All things were made by him; and without him was not any thing made that was made"\***

The Bible teaches that there is absolute clarity as to whom the expressions "Fear God and give glory to him" and "worship him" refer to here.\*

**Acts 17:24 states that the Creator is the Lord of heaven and earth "God that made the world and all things therein, seeing that he is Lord of heaven and earth..."**

**Jesus confirmed that the Father is Lord of heaven and earth in Matthew 11:25 "At that time Jesus answered and said, I thank thee, O Father, Lord of heaven and earth..."**

From these two verses, most assuredly the creator "that made heaven, and earth, and the sea, and the fountains of waters" in the first angel's message refers to the Father.

The Gospel presents God as Creator, as supreme. It presents an Almighty Saviour, who saves by His power to create, in that He saves by creating us anew.

Worshipping knowingly or unknowingly a false god or gods as in the spurious Sabbath or in the false trinity would sadly result in one having to drink of the wine of the wrath of God, suffer the

terror and anguish of the seven last plagues, and the terrible second death. The most solemn call today to worship God-the-Father, the Creator and Redeemer, the one true God of the Bible, is urgently needed because almost the whole of Christendom is deceived into worshipping a false god, another substitute god-being. \*

Another vital aspect of the first angel's message is in the character of the investigative judgment. What the investigative judgment brought to view is not a new truth revealed for the first time, but merely a restatement of an old truth with one new feature, which is the special emphasis that the time has now come for the judgement to begin. Denial of the investigative judgment is denial of the final atonement. In this case, there will be no vindication of the Father's divine character and satan wins the great controversy. There will be no second coming of our Lord Jesus Christ, no resurrection of the righteous dead, no salvation, no blessed hope, God will be made a liar and all will be vanity.

**Daniel 7:10 states "thousand thousands ministered unto him, and ten thousand times ten thousand stood before him: the judgment was set, and the books were opened"**

A work of investigative judgment has begun in heaven, and at the same time a special preaching of this Gospel message also began on earth in 1844. The standard of judgement is God's Law. Jesus Christ is our mediator and judge. The investigative judgement is applicable only to those who have at some time in their lives had acknowledged and been in the service of God, whose names are recorded in the book of life in heaven. It is a great privilege to have a part in the investigative judgment. Those who are found worthy will not have their names blotted out from the book of life. It is indeed a time for the separation of the sheep from the goats. The judgement of the wicked will be undertaken at another time.

Sadly, the carnal mind is wholly incapable of submitting to the law of God. Only by the transforming power of the Father's Spirit is obedience again made possible. What the law cannot do, what the conscience cannot do, what unaided human strength cannot do, can be accomplished by the indwelling of the Father's Spirit which is also Christ's Spirit, His righteousness, the life of His life. Complete deliverance, which includes not only hating iniquity but more importantly loving righteousness, is available from the Father the source of all promises and blessings, through Jesus Christ and through Him alone.\*

The second angel's message warns that the world's religious organizations and their leadership are fallen away from God's truth. Many have unwittingly worshipped a false god by the observance of the Sunday sabbath or by submission to the false trinity. To be clear, Sunday sacredness and the trinity dogma are masterful pieces of satanic deceptions, the crowning masterpiece of the wines of the wrath of her fornication in the last-days. Most of us are aware of the dangers of Sunday Sabbath but may not be aware of the insidiousness of the trinity dogma that subtly perverts the personality and presence of God. It is the omega of deadly heresies warned of by Sister White. \*Notwithstanding, in the days preceding the second

## Presentation-1S, Our high calling

---

coming of Christ, shall mystical Babylon sink into oblivion with finality and certainty, never more would she like a great millstone, produce the wine of the wrath of her fornication to deceive the world. While Satan appears to be triumphing in the earth, while the apostate churches unite with the world and all its leaders in rejecting the one true God of the Bible, trampling on the Sabbath of the fourth commandment, and denying the righteousness of Christ, His faithful last-days servants with gladness and confidence shall declare the glad tidings that Babylon is fallen, is fallen. Many a captive shall hear the message and go free from the bondage of Babylon.\*

The third angel's message is a stark warning against the worship of a false god and its sad consequences. The trinity dogma is the central doctrine of the Catholic faith and is the most fundamental of their faith on which everything depends and from it everything else derives\*

**\*The Douay Catechism of 1649, p143 states "It is a day dedicated by the Apostles TO THE HONOUR OF THE MOST HOLY TRINITY... It is also called Sunday from the old Roman denomination of Dies Solis, the day of the sun, to which it was sacred."**

**Solemnity of the Most Holy Trinity, uCatholic, May 27, 2018 states "Sunday, therefore, is the day of the Most Holy Trinity."**

Hereby, the insidious link between the observance of Sunday and submission to the trinity dogma is clearly established. Sunday sacredness which represents the mark of the beast is the day of the Most Holy Trinity. The third angel's message warns against receiving the mark of the beast. Therefore the third message warns against submission to the Most Holy trinity. Observance of Sunday as the Sabbath or submitting to the trinity dogma are effectively paying homage to the Papacy and submitting to Dies Solis the day of the sun, acknowledging the worship of the god of the Roman church, the sun god. Many have been lured into denying the Father and His only begotten son by observing the Sunday Sabbath and submitting to the false trinity.

No man needs to go through this most horrific predicament in the last-days. No man needs to drink of the unmixed wine of the wrath of God. God's love excludes no man from the opportunity of salvation. All those who are eventually lost will suffer the consequences of their own failure to accept God's overtures of love. \* Although there is no salvation in knowledge alone, but neither can there be salvation without this essential knowledge. The particular saving-knowledge that is missing in so many souls today is the knowledge of God, His personality and presence, the most essential of all knowledge. Essential knowledge in the one true God of the Bible and in our Lord Jesus Christ is one of the key factors that will determine eternal life as recorded in John 17:3. Many might have had the knowledge had they put forth the effort to obtain it. Many would inevitably be "destroyed" because they do not seek and therefore lack the essential knowledge of God. Repent ye therefore and be converted, or ye shall reap what you sow.

## Presentation-1S, Our high calling

---

In a nutshell the three angel's message is effectively the one true god message, comprising the essential knowledge of the Infinite one and of Him whom He has sent. It is a revelation of the character of love, personality and presence of the Father and the divine relationship He shares with His only begotten son.

-----

\*Within the three angels' message are also encapsulated the key tenets of the 5 distinctive pillars of the SDA faith. Therefore, marvel not the enemy of God and souls specifically targets the 5 distinctive pillars of the SDA faith, the old landmarks of truth, for a total onslaught while God's last-days people are lulled into Laodicean spiritual lukewarm blindness, destitute of the Holy Spirit. In these momentous last-days, the enemy of souls continues making relentless attempts to tear away the foundations of our faith - the foundations that were laid at the beginning of our pioneers' work by prayerful study of the word and by the Holy Spirit's revelations which they had built for the last fifty years as at 1903. Towards this end it is imperative that the five pillars of the SDA faith must be constantly re-visited, strongly reemphasized and reiterated to the congregation, bring to the fore front of our daily living, that we might gain a true understanding of our position and our work, that they are always within view and serving as a constant reminder to the soul as expounded in\* **Proverb 7:3,5 "Bind them upon thy fingers, write them upon the table of thine heart" "That they may keep thee from the strange woman."\***

**\*Sister White wrote in Testimonies to the church volume 6 page 17.2 "No line of truth that has made the Seventh-day Adventist people what they are is to be weakened. We have the old landmarks of truth, experience, and duty, and we are to stand firmly in defense of our principles, in full view of the world."\***

-----

With one mind, purpose, and one voice shall His last-days remnant go forth and herald God's last day message of love and mercy with righteousness and fervent zeal to the world without fear; secure in the comforting assurance that God's protecting presence is our rear guard.

**Isaiah 58:8 states "and thy righteousness shall go before thee; the glory of the LORD shall be thy reward"**

However, we have a word of caution here. The fervent zeal thus manifested must not be a misplaced zeal, but a zeal that is directed towards the true way of righteousness, according to knowledge, with Godly values, with true insight into God's word, and not mere unenlightened fanaticism.

At the same time we ought to be looking for and hasten the coming of the day of God, doing our utmost to expedite its arrival and "earnestly desiring" that day.

## Presentation-1S, Our high calling

---

\*In the book *Amazing Grace* page 353.3 Sister White wrote “By giving the gospel to the world, it is in our power to hasten the coming of the day of God”.

\*However Sister White in *6 Testimonies to the church* page 331.2 counseled “The Lord will not excuse those who know the truth if they do not in word and deed obey His commands. If we make no effort to win souls to Christ we shall be held responsible for the work we might have done, but did not do because of our spiritual indolence. Those who belong to the Lord's kingdom must work earnestly for the saving of souls”.

---

\*On the point of unity, there must be the most perfect unity, and there will be when the true message is given; for it is nothing but the unchangeable Word of God that is to be given. The voice is God's; the people furnish only the mouth; so that although there be tens of thousands of mouths, only one voice is heard. In the days of the coming of the Lord the admonition of the Apostle Paul will be perfectly heeded.

This message is to be proclaimed in sanctified unity. **This sanctified unity is confirmed in John 14:23 “... and we will come unto him, and make our abode with him”**

**Sister White in Bible Echo, January 15, 1893 par 8 confirmed this point: “By the Spirit the Father and the Son will come and make their abode with you.”**

---

\*The preaching of this saving-truth will undoubtedly attract unfavorable attention from the evil forces seeking to control the heart and mind of men and continue to shroud them in darkness.

The enemy of God and man is wrath, and he sets about with great determination to wage war upon the people of God, the “remnant of her seed.” God's last day remnant's proclamation of His final warning of love and mercy will face unprecedented and relentless persecution from both inside and outside of the organized church, because the enemy knows he has but only a short time.

Revelation 12:17 portrays the scene of the dragon persecuting God's last day remnant. Notice, he is wroth with the woman, meaning the church, yet the persecution is not on the woman, not on the church; for he went to make war with the remnant of her seed, the faithful of God, them which keep all the commandments of God, and have the testimony of Jesus Christ.

The deception would be so complete that **“They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service”** as stated in John 16:2.

---

## Presentation-1S, Our high calling

---

\*Christ said, "Go ye into all the world and preach the Gospel." Since this is the Lord's commission, we may expect the Lord to open the way. If sometimes our own way seems hard, and we grow weary, this will disappear when we go to work for others. There are resources of spiritual power available to us beyond our farthest thought, and the believer has but to lay hold of it.

**In Ps 34:7 we see God's ministering angels surround His saints to encourage, inspire, and protect them "The angel of the LORD encampeth round about them that fear him, and delivereth them"** The closing work of the everlasting gospel is not committed to heavenly angels, but is entrusted to men. But God never raises His people for a work and leaves them to fend for themselves.

**\*In the book Acts of the Apostles page 154.2 sister White wrote: "It would be well to remember that every true child of God has the co-operation of heavenly beings. Invisible armies of light and power attend the meek and lowly ones who believe and claim the promises of God. Cherubim and seraphim, and angels that excel in strength, stand at God's right hand, "all ministering spirits, sent forth to minister for them who shall be heirs of salvation." Hebrews 1:14.**

-----

Today even as we speak, we see the enemy of God and soul is busy laying his plans for the last mighty conflict, when all will take sides in this gigantic spiritual battle. We are not wrestling against flesh and blood but against spiritual wickedness, satanic forces arrayed in open rebellion against God and His children.

Satan is preparing the way for compliance with Sunday sacredness, putting in place an all-encompassing global network to suppress liberty of conscience, freedom to worship the one true God of the Bible, a law on Sunday sacredness which some of us may be aware is already in place in the US but not yet invoked, prohibition of worship on the Bible Sabbath day, enforced acceptance and submission to the false teaching of the trinity dogma which pope Francis in his second encyclical "Laodato Si" hinted at and which the SDA church had promulgated in their church manual page 62 item (1), and a mandatory edict to work on God's divinely appointed day of rest.

\*In pope Francis's second encyclical Laudato Si p4 item 3, 2015, under the guise of caring for the environment, he is addressing not just members of the catholic faith but every person living on this planet to unite under the banner of his false trinity.

**Laudato Si p4 item 3 Nothing in this world is indifferent to us "Now, faced as we are with global environmental deterioration, I wish to address every person living on this planet. In my Apostolic Exhortation Evangelii Gaudium, I wrote to all the members of the Church with the**

**aim of encouraging ongoing missionary renewal. In this Encyclical, I would like to enter into dialogue with all people about our common home.”**

\*Furthermore, in this encyclical the pope is officially urging all to embrace the trinity dogma.

**Laudato Si p.174 par 238 “Consequently, “when we contemplate with wonder the universe in all its grandeur and beauty, we must praise the whole Trinity”**

**Laudato Si p175 par 240 “Everything is interconnected, and this invites us to develop a spirituality of that global solidarity which flows from the mystery of the Trinity”**

\*Prophecy is clearly being fulfilled right before us, while sadly God’s people are still in Laodicean spiritual blindness.

**Sister White wrote in Testimonies vol. 9, p. 11 “Great changes are soon to take place in our world, and the final movements will be rapid ones.”**

One way to dominate and gain control over people is to spread chaos, despair, and discouragement, under the guise of defending certain common values. Satan, through global social, economic, financial and political chaos creates conflict, fear, and insecurity. He is preparing a people filled with his evil mind and heart, his evil purpose, his evil spirit, and nothing less than his evil character to advance his agenda, to clamor for the destruction of God’s last-day faithful servants who would not bow down to the worship of a false god, just as his evil servants and angels were actuated by the same satanic spirit that moved them to clamor for the blood of the Son of God. These unsuspecting people, who do not know the realities of spiritual life, receive satan’s evil character enshrined in their foreheads.

**\*In Luke 6:22,23 Jesus comforts those excommunicated or dis-fellow shipped for His sake as Blessed “Blessed are ye, when men shall hate you, and when they shall separate you from their company, and shall reproach you, and cast out your name as evil, for the Son of man’s sake. Rejoice ye in that day, and leap for joy: for, behold, your reward is great in heaven: for in the like manner did their fathers unto the prophets”**

\*It is indeed comforting to know that even as the wicked are breaking Jehovah’s authority and persecuting His last-days servants, God overrules the designs of men of corrupt hearts and turns their evil course into foolishness **as recorded in Psalm 2:4 “He that sitteth in the heavens shall laugh: the Lord shall have them in derision”**

\*Unsuspecting minds are now being insidiously conditioned by satan and his evil agencies. Insidiously, overall public allegiance is being secured in preparation for the efficient and smooth, enforcement of Sunday law in the near future, the final conflict.

**Rev 18:23 states “for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived”**

## Presentation-1S, Our high calling

---

**The Greek word translated “sorceries” is “pharmakeia” from which the English word pharmacy derived, meaning the administering of drugs, poison or toxic substances.**

Indeed, the deceptions practiced by mystical Babylon to secure the allegiance of the inhabitants of earth are through both spiritual or magical arts and the administering of drugs, poison or toxic substances. Perhaps, the current COVID-19 virus pandemic and potential public clamor for the so-called preventive vaccine is a unique case in point.

-----

**\*In the book the Great controversy page 601.2, Sister White wrote these words: “It is not enough that they are trees in the garden of God. They are to answer His expectation by bearing fruit.”**

**Sister White stated in Signs of the Times, June 6, 1892 “There will be no one saved in heaven with a starless crown. If you enter, there will be some soul in the courts of glory that has found an entrance there through your instrumentality”**

\*The highest incentive for all the toils, efforts, and sacrifices for God’s last-days faithful in their heavenly journey is to behold among the blessed, those who have been won to Christ through their prayers, their labors, and their loving sacrifices.

In the future kingdom of glory Christ shall present to His Father the purchase of his own blood, the ransomed ones with sin's discord banished, its blight removed and are once more in harmony with the divine. With unutterable love, Jesus shall welcome and bid his faithful ones to “enter thou into the joy of thy Lord,” the reward of the world to come. The Savior's joy is in witnessing the salvation of these souls who have been saved by his agony and humiliation.

**Isaiah 53:11 states “He shall see of the travail of his soul, and shall be satisfied...”**

In the same way, the redeemed will be sharers of Christ’s joy, as they behold among the blessed, those who have been won to Christ through their prayers, their labors, and their loving sacrifices. And shall “rejoice with joy unspeakable” as they meet and behold in the kingdom of glory those whom they have won for Christ.

**Indeed, the end of the Christian course well repays all the toils, efforts, and sacrifices of the heavenly journey.**

-----

\*We do not presume that this narrative is the final word on God’s last message of mercy to a world that is fast coming to an end. Indeed, more divine light on this subject shall flash from God’s heavenly throne in His time.

## **Presentation-1S, Our high calling**

---

**Sister White cautioned as such in 6 Testimonies p17.2 "The light we have received upon the third angel's message is the true light. The mark of the beast is exactly what it has been proclaimed to be. Not all in regard to this matter is yet understood, nor will it be understood until the unrolling of the scroll; but a most solemn work is to be accomplished in our world. The Lord's command to His servants is: "Cry aloud, spare not, lift up thy voice like a trumpet, and show My people their transgression, and the house of Jacob their sins."**
