Admission is free but you must provide your own lodging and food.

So how's that "new normal" working out for you? Hopefully by now you have realized none of this is "normal" by any stretch of the imagination! Yes, there is a global agenda to unite the world in "solidarity" for the "common good", but is that really the best answer to our problems? Learn how all of this relates to Bible prophecy, and how you can be prepared to stand in these last days!

Some things to consider:

- Can the books of Daniel and Revelation be understood?
- What about the "image" and "mark" of the beast?
- What is "Babylon" and how do we "come out"?
- Come "out" of Babylon and "in" to what?
- Where can we find true safety in a time of trouble?
