

Dreaming of Truth

Wilson wrote, “One night, I had a dream. I was carrying a bible in my hand on my way to share a message. I did not know what the message was but as I walked towards the door, a verse from the bible in the form of a big banner flew from behind my right shoulder to my front and rested in mid air. And I looked and it is written:

“If any man worship the beast and his image, and receive his mark in his forehead, or in his hand.”

As I stared at the banner, the word “Trinity” in the form of a red banner flew in the midst of the air from behind my left shoulder and attached itself just below the words “the beast and his image”. Immediately following from the same direction was the word “Sunday Law” and it attached itself just below the words “his mark”.

I cried out ‘Lord, I need more information!’”

Today, Wilson is a believer in God the Father and His Son.

Encouragement Amidst Derision

Candia wrote, “I want to tell you something Daniel.

I appreciate that you teach from the Bible and do not rely heavily on sister White's writings. Don't get me wrong - I appreciate her works. But that you draw from and weave together evidences, parallels and support for what you're teaching from the Word itself is so strengthening in building an understanding of the continuity and interlocking nature of the continuum given throughout the timeline and characters referenced within the Bible. This is why I trust and find your teaching credible, and why I continue to study with you.

I feel your curiosity and exhaustive pension to follow the thread is a gift God has given you for this mission. I thank you, and I thank God for using you. Also your family, as I know this comes at a price.

Even as persecution derides the truth bearers, as it always shall, I pray you and your ministry are preserved and blessed by the grace that is our Lord, Jesus Christ.

Much love to you Daniel.

Your sister living in that grace”

Baptized 8 Pastors in India

Naik wrote: “8 Sunday pastors accepted Truth and baptized in one true God family.

Total 38 people attended for the meeting.

Blessing. Wife was saying she wished there was a body of believers near that would take this foundational stand that we could fellowship with.”

“Baptism of a new soul after studying prophetic books. After 43 years he got true GOD message in our Bible studies. He gave his life to Jesus Christ and started to read Revelation and Daniel in the Holy Bible which we gave

him after water baptism. He gave his life to the begotten Son of

GOD. When people started to read Revelation and Daniel they understand better the plan of salvation and true Saviour. I was a strong witness for that, that these two prophetic books created lots special interest to study the whole Bible.

Wherever I go to preach this two prophetic books I see the holy spirit doing wonderful things. After meeting pastors come to me says wow, mind blowing, wonderful Bible teaching, it's new messages for us, we never heard this way, we are blessed.

I praise GOD for you dear brother Daniel. The Father in heaven made you as specialist in two prophetic books. Indian Pentecost, lutheran, Baptist, other denomination never preach about Revelation and Daniel books, because they think we receive punishment from God. But when you came to India hundreds of pastors and leaders and believers started to read those Books.

It's amazing response from independent denominations, they calling me and says wow we find new things in Bible by reading Those two prophetic books.

RevelationWithDaniel.com ministry, brought lots of courage in many independent missions. All the Glory to GOD almighty. Thank you for your prayers and support Dear brother Daniel Mesa, once again we invite you to India and Nepal mission fields.

God bless you and your family.”

Books, a Video, and 50 Disfellowshipped in Zambia

Amos wrote: “We gave 400 booklets today to our local SDA main church. This effort enraged the SDA pastor. My friends and I were reported to the authorities by the SDA pastor. We were detained at the police station today around 1pm for several hours. Fortunately the prison warden is an Adventist and he set us free, and he requested the booklets for his family and we gave him some. This coming Sabbath he will be with us for lessons I will send more pictures of the USBs when I get to our meeting house where we keep the purchased items.”

Amos later wrote: “Greetings my dearest brother in Christ. Hope all is well with you and the rest of the brethren. I pray pastor Daniel is also well.

The message is gaining ground. The prison warden and his entire household attended our meeting yesterday on the Sabbath. There's a lot of demand for literature and booklets right now brother. The churches listened to the message on the USB. They are really interested brother and there's a huge shaking within the SDA church, especially the main and central churches here in Lusaka.

There was a church board held by the leadership against 100 members who are convinced about the ministry of the angels and the Godhead doctrine. Those brethren are asking the church to return the trinity doctrine to the Catholic church otherwise non of those members will set any foot at their Church. I need your prayers brother as I am regarded to be the one behind this mess or confusion in these churches.

4 elders sent by one of the district pastors came at my house, unfortunately I wasn't there, they just left a note for me and that note says I am needed for a meeting to be held at Lusaka SDA union conference. I don't know what they want to discuss with me.

Distributing the 50 Questions About the Trinity

Zaddoch wrote: “One of the brethren of the Lutheran church who received the copies of 50 Bible Questions About the Trinity from the main pastor just called. We spent time talking from God, to Christ, to the spirit, to angels. He was struggling to answer the question and now he knows God is one, no “God the son,” no “God the holy Spirit” with a couple more interesting comments. Praise God for the little tracts.

Remember Don from Squaw Valley?

Don wrote: “I have continued reading the Bible. Read most of the New Testament, currently Matthew. After Matthew I am going to tackle the Old Testament starting at Genesis. I still have lots of trouble understanding parables.

Miss you all. Thanks for showing me the way and saving me.”
